A Time To Dance Announces Open Auditions for Performance Dance Teams

Navarre Dance Studio Seeks New Dancers for Performing Dance Company Program

For Immediate Release – A Time To Dance studio is looking for young dancers to join their Performing Dance Company Program featuring multiple teams (including a new Hip Hop Dance Team) for the 2012-2013 season. Auditions will be held at the Navarre studio on June 10th. However, parents or guardians must have the necessary paperwork filled out and returned by June 3rd. There is an accompanying \$25 registration fee for all auditions--except the Hip Hop Team auditions on April 14th.

These auditions are open to students ages 4 and up and all skill and commitment levels will be considered. In fact, A Time To Dance offers multiple teams with multiple commitments levels including varying numbers of classes and seasonal performances to fit busy schedules and budgets.

The June 10th auditions will begin with ages 4 through 11 at 1 PM. Students 12 and older will be welcomed at 3 PM. The auditions will be open to all students who complete the necessary paperwork; however, they are not open to the public or observers.

Our dance teams represent a great opportunity for talented and passionate dancers to learn more about the art, be exposed to great performance opportunities, and learn from some of the industry's best and brightest dancers and choreographers. Members of both our Performance and Company team recently returned from a weekend-long dance workshop hosted by PULSE On Tour where they took instruction from dance celebrities including Tony Award nominated choreographer Desmond Richardson, Creative Director of *X Factor USA* Brian Friedman, and American Choreography Award winner and star of *Dirty Dancing: Havana Nights*, and *Step Up 2* Robert Hoffman.

June 9th Per-Audition Clinic

Join us on June 9th for two dance clinics designed to teach potential students a few basic moves (proper technique for leaps and turns) as well as a sample dance piece to be used during the audition. The clinic will let dancers and their guardians know what skills the evaluators will be looking for during the actual audition. The dance clinic for students ages 4 to 11 will be held at 2 PM. The 12 and older clinic will follow immediately thereafter at 4 PM.

New This Year: Hip Hop Dance Team Auditions

In addition to filling spots on the Performance and Company dance teams, A Time To Dance is looking for energetic dancers eager to learn Hip Hop dance for their new Hip Hop Team. The Hip Hop auditions will be held on April 14th. The \$25 registration fee has been waived for the Hip Hop Team auditions; however, the necessary paperwork must be filled out and delivered before the students arrive.
